Warranty on cork blocks –

Subject to the following provisions, Playforce Limited of 1 Pegasus Way, Bowerhill Industrial Estate, Melksham, Wiltshire, SN12 6TR ("PFDR"), warrants the products sold by it under the name Playforce Shop to be free from defects in material and workmanship for a period of 12months from the date of our invoice to you.

During the warranty period, Playforce Shop, as its sole obligation, will replace any product, part or component covered by this warranty and sold by Playforce Shop to you after 1st March 2013, which fails under normal use as a result of a defect in material or workmanship.

This warranty is non-assignable and extends only to the original purchasers who acquire new product directly from PFDR.

This warranty is subject to the following conditions:

- PFDR shall be under no liability in respect of any defect which arises from fair wear and tear, wilful damage, negligence, abnormal working conditions, misuse or abuse or any failure by you to install, and/or maintain the product, part or component according to our user guide, or any modification, alteration or repair of the products, parts or components without our written approval.
- PFDR shall be under no liability under the above warranty (or any other warranty, condition or guarantee), if the total price for the products, parts or components has not been received by us by the due date for payment.

The warranty does not cover and PFDR shall be under no liability in respect of:

- Excessive changes in surface finishes due to aging or exposure to light;
- The matching of colours, grains, or textures of natural materials;

Cork Blocks – user guide

Recommended for ages 3 - 11

Cork blocks are intended to develop the theory of block play and the learning outcomes that are attributed to this theory.

When using the blocks please ensure that there is adequate space provided.

Cork block structures built on slopes greater than 5 degrees may be unstable and could topple over causing injury.

Please ensure children are supervised when using the blocks.

Maintenance:

Blocks should be inspected regularly for any signs of damage that could cause injury. Remove any product from use when any condition develops that might make use unsafe. If it is a manufacturing fault please inform Playforce Shop.

Cork blocks may become roughed after prolonged periods of hard use.

Storage:

Cork blocks need to be stored indoors.

The blocks need to be kept in a well-ventilated area and should be allowed to dry thoroughly before use.

Cleaning:

Clean the blocks using a fine sandpaper.
